FROM OUR RABBI

Dear Friends,

It is a joy to bring back our Spitz and Cymbalista Memorial Education Program booklet that shares the plan for this season's shiurim, lectures and activities. What you find in these pages is the result of the planning of our Education Committee, Men's Club and Sisterhood at the time of printing, and reflects a robust

season of learning, social programs and community events.

We anticipate that more activities will be added to the schedule, so be on the lookout for updates via the shul email or in the online calendar at accbb.org/calendar.

The shul's operation changed greatly over the last few years, but we are back to normal, although some classes are still exclusively on Zoom. As always, it is our hope that those in Boynton Beach will make the effort to attend programs in the building to help foster our sense of community, especially for those who live further from the shul and cannot come on Shabbos and Yom Tov, but are very invested in being part of our shul. Our lives are enhanced immeasurably when we attend events in person as a kehillah.

At the time of printing, as Israel wages war against Hamas, our brethren there are on our minds. It is our collective prayer that our learning should be in the merit of a complete victory.
